

Milwaukee, WI – For immediate release, September 2010 – New ROI Selling Boot Camp available. ROI4Sales has made available at no charge an 80 page document that will help you with developing and designing sales tools. In addition the Boot Camp can be used to evaluate your current ROI, TCO and Value Estimation tools. We provide Five Chapters with surveys at the end of each chapter. The program is designed to be completed over a five day period spending about an hour a day. Visit us at www.roi4sales.com and click on the Boot Camp picture to download your free copy.
